

# Programme

Thursday 26<sup>th</sup> April, 2018

Room - Fifteen@TheFalcons on the 1<sup>st</sup> floor with concurrent session at 13:30 in the International Lounge on the 2<sup>nd</sup> floor

Time	Theme	Talk	Speaker
08:30	Registration & networking, coffee & opportunity for exhibition viewing		
09:45	Welcome & Introduction		<b>Professor Jane Nixon</b> , Professor of Tissue Viability and Clinical Trials Research and Deputy Director at the CTRU, University of Leeds
09:50	New Innovations	preHEAT: A feasibility study to evaluate local heat preconditioning with respect to its effects on wound healing after reconstructive breast surgery in patients with breast cancer– a single blind randomised controlled trial	<b>Mr Saahil Mehta</b> , Trainee Plastic Surgeon ST6, PanThames Rotation, London
10:10		Phototherapy: rapid translation for effective wound repair or simple gadgetry with limited outcomes?	<b>Professor Will Palin</b> , Professor and Chair in Biomedical Materials Science, College of Medical and Dental Sciences, University of Birmingham
10:30	Break & opportunity for exhibition viewing		
11:00	Outcomes	Clinical outcome reporting in burn care research	<b>Dr Amber Young</b> , Consultant Paediatric Anaesthetist, Bristol Children’s Hospital, Doctoral Research Fellow, University of Bristol
11:20		REDUCE: a programme development grant	<b>Professor Fran Game</b> , Consultant Diabetologist and Director of RD&I at Derby Teaching Hospitals NHS Foundation Trust
11:40		Plastic and Hand Surgery Collaborative Research - the RSTN and NINJA	<b>Mr Richard Pinder</b> , Consultant Hand & Plastic Surgeon, Hull & East Yorkshire Hospitals NHS Trust
WReN Free Papers			
12:00 Paper 1	Pressure Relieving Support Surfaces: a Randomised Evaluation 2 (PRESSURE 2): Using photography for blinded central endpoint review		<b>Professor Jane Nixon</b> , Professor of Tissue Viability and Clinical Trials Research and Deputy Director at the CTRU, University of Leeds & <b>Elizabeth McGinnis</b> , Senior Research Fellow, Non-Medical Research, Leeds Teaching Hospitals NHS Trust
12:10 Paper 2	Intracavity lavage and wound irrigation for prevention of surgical site infection: systematic review and network meta-analysis		<b>Howard Thom</b> , Research Fellow in Statistical Modelling, National Institute for Health Research (NIHR), Bristol Biomedical Research Centre (BRC), Bristol Medical School, University of Bristol
12:20 Paper 3	Multiple Interventions for Diabetic Foot Ulcer Treatment (MIDFUT): Practical considerations for implementing interventions and participating in a novel multi-arm multi-stage randomised controlled trial		<b>Elizabeth McGinnis</b> , Clinical Co-ordinator, Clinical Trials Research Unit (CTRU) at University of Leeds
12:30	Lunch & opportunity for exhibition viewing		

Time	Theme	Talk	Speaker
WReN Free Papers			
13:30 Paper 4		Life in the field – the challenges of recruiting older people	<b>Dawn Royall</b> , Tissue Viability Nurse Specialist, Princess Alexandra Hospital
13:40 Paper 5		The clinical and practical issues associated with dressing use in primary wounds in abdominal surgery: a qualitative study of healthcare professionals' and patients' views	<b>Christel McMullan</b> , Research Fellow, Institute of Applied Health Research, University of Birmingham
13:50 Paper 6		How is presence of burn wound infection assessed in studies evaluating interventions for burns? A systematic review	<b>Anna Davies</b> , Senior Research Associate, University of Bristol
14:00 Paper 7		Support surfaces for pressure ulcer prevention: a network meta-analysis	<b>Chunhu Shi</b> , PhD Student, Division of Nursing, Midwifery & Social Work, School of Health Sciences, Faculty of Biology, Medicine & Health, University of Manchester
14:10 Paper 8		Identifying effective care bundles for preventing surgical site infections in primary surgical wounds: a protocol for an overview of reviews, network meta-analysis, and elicitation	<b>Hung-Yuan Cheng</b> , Senior Research Associate, University of Bristol
<b>CONCURRENT SESSION - MOT Session International Lounge, 2<sup>nd</sup> Floor</b>			Chairs: <b>Mr Tom Pinkney</b> , University of Birmingham and <b>Professor Ian Chetter</b> , Professor of Surgery and Director of Research at Hull York Medical School
13:30 MOT 1		RECALL: REducing Contralateral ulceration and Amputation following major Lower Limb amputation	<b>Elizabeth McGinnis</b> , Senior Research Fellow, Non-Medical Research, Leeds Teaching Hospitals NHS Trust
13:55 MOT 2		A single-blinded, randomised trial intra-patient control study into the efficacy of silicone sheeting for cutaneous scars.	<b>Ali Arnaout</b> , Plastic Surgery Registrar, Buckinghamshire NHS Foundation Trust
14:20	Mini Break		
14:30	Methodology	Designing inclusive trials. Recruitment of patients with cognitive impairment to research studies	<b>Dr Lisa Gould</b> , Senior Research Fellow and <b>Dr Jo Hope</b> , Research Fellow, University of Southampton
14:50		PRESSURE and PRESSURE 2 – Experience of assent in an acute elderly population	<b>Professor Jane Nixon</b> , Professor of Tissue Viability and Clinical Trials Research and Deputy Director at the CTRU, University of Leeds
15:00		Participation in a trial of Negative Pressure Wound Therapy in the emergency situation (UK WOLLF): a qualitative study of patient experience	<b>Dr Liz Tutton</b> , Senior Research Fellow, Warwick Medical School, University of Warwick, Trauma Research, Kadoorie Centre, John Radcliffe Hospital, Oxford
15:20	Break		
15:40	Methodology	A placebo control group in surgical randomised controlled trials - when is it useful, ethical and necessary?	<b>Dr Karolina Wartolowska</b> , Postdoctoral Researcher, University of Oxford
16:00		Trials within cohorts and other routine databases	<b>Clare Relton</b> , Senior Research Fellow (Public Health), School of Health & Related Research, University of Sheffield & Senior Lecturer (Clinical Trials), Pragmatic Clinical Trials Unit, Queen Mary's University London
16:20	Concluding remarks and ASIT & Free Paper Awards		<b>Professor Jane Nixon</b> , Professor of Tissue Viability and Clinical Trials Research and Deputy Director at the CTRU, University of Leeds
16:30	Close
